

ABOUT US

Cheaper Diesel Spares Australia (CDSA) is an Australian owned and operated company. It was formed in May of 2013 by experienced diesel technicians with over 40 industry years of experience. We pride ourselves on customer service and our willingness to go the extra mile. Our motto is 'Cheaper, Not Cheap' as we never compromise on quality and brand.

Warranty and SHIPPING

A 12 month warranty (or 20,000km) is given from the date of invoice on new parts and exchange units. All orders are shipped using major carriers being Toll, TNT, Couriers Please and Australia Post. Metro areas take 1-2 days, however please note regional areas may take longer for delivery. Please refer to our website for further information.

SERVICES:

Injector Testing Service

Take advantage of our common rail injector testing service. Rather than suspecting your injectors are faulty, have them tested and we can provide you with a report on how they are operating. We can test Bosch car, truck and piezo injectors. Aswell as Denso, Delphi and VDO/Siemens injectors.
